Morehead Meets University of Louisville Here Tonight

OLVERA STREET MARIONETTES TO PERFORM

"Huck Finn And Tom Sawyer" Will Be Presented Two Times.

Mark Twain's Centennial will be celebrated in Morehead, Monday, February 17, when C. Ray Smith's famous Oliver Street Marionettes of Los Angeles present "Huck Finn and Tom Sawyer," at matinee and evening performances. A double bill will be given both times, the added feature of the afternoon show, at 3 P. M. being a "Marionette Circus" and a specially adapted "Continental Variety Show" being the added attraction at the evening show which begins at eight. The marionette company, which is being billed as the largest in America, is being sponsored in Morehead by the Beaux Arts Club. Admission prices, which are unusually low for performances by this organization, are as follows: College and high school students, 25 cents, adults 35 cents, and children 15 cents. Tickets for either afternoon or evening performances are now being sold by members of the Beaux Arts Club.

Marionettes of famous movie stars play roles in "Huck Finn and Tom Sawyer." Jackie Cooper will be seen as Tom Sawyer, Mickey Rooney as Huckleberry Finn, and other stars as Polly, Shilley Temple as Becky Thatcher.

Auditorium Packed As Sandburg Speaks

Noted Author Speaks On "Lincoln And Our Time."

Carl Sandburg, student of Lincoln, noted poet, gave an address, "Lincoln, and Our Time," in chapel, Wednesday, February 15.

"What is one of the great figures out of the past worth to any of us unless they help us in our life in this history-making time?" Sandburg pointed out that this is a time of crisis, that this is the time of the 1860's. He attempted to show the situation which Lincoln was faced, what decisions rested upon him, and how events centered around him. He related the events to the present day and to the audience.

"I don't know just how far to go here today. I feel that there are people here who are racially and instinctively akin to Lincoln."

Mr. Sandburg is a native of Kentucky. He is represented in "The American Songbook." Some of these folk songs and poems, accompanying him with the guitar.

The great biographer of Lincoln pointed out how Lincoln moved the Constitution in the interests of the Union.

U. Of K. Professor To Talk Thursday

Noted Archeologist Will Speak Before Women's Clubs.

Dr. W. D. Funkhouser, head of the zoology department and dean of the graduate school of the University of Kentucky, will speak before the Women's Clubs of Rowan county and Morehead on Thursday, February 20, in the College auditorium at 7:30 P. M. His subject will be "How the Other Half Lives."

Dr. Funkhouser is especially noted for his archeological research in Kentucky. His "Ancient Life in Kentucky" is recognized as the best work in this field.

The establishment of a museum in U. of K., containing the skeletons and reconstructed habitats of the prehistoric animals of Kentucky, has been possible through the efforts of Dr. Funkhouser. His reputation as a speaker on archeology is not limited to this state and he is frequently asked to speak in out of state cities.

Hadden, Blevins, And Dean Elected To Other Offices.

Clyde Burton was elected president; Howard C. Hadden, vice president; Mabel Shriver, secretary; and Earl Dean, Sergeant-at-Arms of the Lloyd Debate Club at a meeting held Wednesday afternoon.

Robert Hadden, a high schooler, was ruled ineligible for election by a vote of the club upon the insurmountable of a phrase on the constitution.

It was decided that all interested in joining the club should give the next meeting to be held February 24, and the boys know that U. of L. will have a much harder time than it has in the past.

Eagles Lose to Centre, 36 to 35, In Overtime

Eagles Win Over Eastern, 47 To 45

Parley Makes Winning Toss With Only Eight Seconds Left To Play.

A basket by Parley in the last 8 seconds of play, gave Morehead a 47 to 45 victory over Eastern in a game played Saturday. The Eagles had overcome a 23 to 13 lead held by Eastern at the half, the score being knotted at 35 all with 6 minutes left to play.

The game was all Eastern the first half and Morehead looked like a beaten team when they left the floor but they came back strong in the second half. With the count 35 all, Eastern surged into the lead at 41 to 38, but Morehead spurred to its first second half lead at 45 to 41. The lead swapped hands twice again and was tied at 45 all with a minute to play.

Both teams tried to make a goal by the long shot route in the final minute. Morehead took the ball down and Parley tossed the winning goal but a few seconds before the final gun.

Carter was the main factor in the Eagles' victory, scoring 25 points to top the individual high point honors. Eastern had two men on him most of the time but they could not stop his famous one-handed shot.

Women's Physical Education Department

Tap dancing is being offered to men for the first time this term. Up to date, severance of the hunkies are offering competition to the girls in the two classes, 1:35 and 2:50 on Tuesdays and Thursdays. They show promise of becoming proficient floor-flickers.

U. S. Hockey Team
Morehead physical education enthusiasts have been invited to observe a demonstration hockey game, attend lectures, and contact members of the U. S. Field Hockey Association on March 10, at the University of Kentucky. The women's physical education department at the university is sponsoring the event.

Girls Intramural Basketball
During the past two weeks there has been open practice for girls interested in basketball. Many girls have been out at each practice. There seems to be present all of the factors that will make for a very interesting tournament.

The schedule for the remaining practices are as follows:

Saturday — Feb. 15, 11:00 a. m. to 12:00 noon.

Tuesday — Feb. 18, 4:30 p. m. to 6:30 p. m.

By Harry (King) Lowman

"Cap Bill" Scroggins's high-flying fast-maturing Eagles need but a single victory, that over the University of Kentucky Kittens, to establish themselves as the best yearling aggregation in the state.

Georgetown, which twice succumbed to Morehead's clanging floundering, split a two game series with the U. of K. Krough; the Kittens took the first and the Cubs captured the second.

The Kittens returned the Eagles in a shindie the first part of the season by a six point margin. This difference of half-dozen digits was tallied before the Eagles could get their defense working. Since then "Cap Bill" has applied polish to his proteges both offensively and defensively and the outcome of the fracas at Lexington on February 21, should be highly favorable to Morehead.

The grim reaper ruthlessly plucked one of the most colorful figures on Morehead's campus, one of the best-killed members of the Eagles' squad, and one of the outstanding examples of a man with intestinal fortitude all in one, and thus furnishes further proof that the adage "The good die young," although anti-

quated, is none the less true.

"Doc" Norman has gone to meet the gridding light of this very uncertain, highly dramatic game called life. May be the unknown one rest York's soul in peace for evermore.

The K. I. A. C. tournament will be held in Bowling Green, February 27, 28, and 29. Murray is the expert's choice to take the honors with Western, University of Louisville, and Berea furnishing some stiff opposition.

Morehead has always had a good touring team but the lack of reserve material has greatly handicapped them in the past and this year will be no exception.

At any rate we have a chance to upset some of those who made life miserable for us during the regular playing season. Revenge is sweet—if you can get it.

Things to be remembered: The twenty victories scored over Eastern this year—Lawrence Carter's eagle eye—John Francis's smooth floor game—Dr. Lloyd's adroitness at ousting the gals a line—Prexy's promise.

Famous Last Words: Don't call me for class in the morning, will be administering much needed rest.

Breck Beats Ewing; Loses To Soldier

Soldier 17, Breck 14

The training school had a double header to Soldier here Wednesday night, the first team losing 17 to 14, and the second team by 11 to 5. The seniors jumped into a five point lead in the first quarter. Soldier rallied and was leading 10 to 7 at the half. Holding tenaciously to their lead and guarding closely, the Soldier team won, although Breck made a desperate rally in the closing minutes.

The Soldier second team had too much blight for the Breck second and had little trouble in winning. They led 7 to 1 at the half and 9 to 3 at the end of the third quarter.

Breck 26, Ewing 20
Breckridge defeated Ewing 26 to 20 in a game played in the College gymnasium Saturday night. Breck led 10 to 3 at the half.

Long and Carr led the Breck attack, scoring 9 and 8 points respectively. Stockdale was best for Ewing with 6 points.

The Breck team played a polished game and are easily the best outfit on the floor. Prichard and Babb played good defensive games.

Breck made 9 field goals and 2 foul shots, while Ewing made 8 field goals and 4 foul shots.

In a preliminary game the Breck second team defeated the Ewing second by 14 to 13. Carr led the second with 7 points.

EAGLES BEAT CENTRE LOOIES BY 36 TO 23 TAB

Foul Shot In Overtime Spell Defeat For Eagle Team.

In a K. I. A. C. melee staged in the Doyle-Hempway gymnasium of the College Wednesday night, the Morehead Eagles overcame a twelve point lead stacked-up by the Colonels in the first ten minutes of play, to force Centre into an overtime period, but succumbed 36 to 35 when May made a grating fling in the overtime period. The count at the end of the regular playing period was 35 all. In a preliminary to the varsity games, the Morehead Eagles defeated the Looses of Centre, 36 to 32.

Centre Out Top

Centre took the lead in the first minute of play when Cooper sank two crisp in a row. Goals by Fitzpatrick, Campbell, and two more by Cooper made the count 12 for Centre and zero for the Eagles. Ryan broke the ice in the middle of the first game with one such and a foul shot. Carter came through with four goals from the field. Parley and Francis made one each and a foul shot. The final score was Centre leading 21 to 16.

Eagle Gain Lead

Parley cut Centre's margin to 3 points and Ryan lagged a crisp to make it 22 to 21. Shuey tallied from well back to put the Eagles out in front for the first time. The lead changed six times before the end of the period when the score was 35 all. In the overtime, May looped in a foul shot to give the Colonels victory.

Cooper And Carter High

Cooper and Carter shared individual honors. The Colonel point man collected 9 field goals for 18 points, while Carter made 5 field goals and a grail to score 14 points for Morehead. Francis, Shuey, and Ryan played fine games.

Eagles 36, Looses 23

The Eagles took the lead in the first thirty seconds of play and held it for the entire game although the Looses were several times within two points of knocking the Eagles out.

The half score was 14 to 12 in favor of the Eagles.

Armen was high point man for the Eagles with 12 points, while Cooper paced the Looses with 6 points. Horton, Idmuel, Smith, and Kier were outstanding for Morehead. While Campbell showed up best for the Looses.

News From The Training School

By Pauline Butler

The high school met Tuesday in the senior home room and organized a Pay Club. Dorothy Nash was elected president; J. G. B'ick, vice-president; and Dotly Bays, secretary. Helen Holbrook, in the chief, chairman and two others will be selected to help her. It is hoped that the club will be a great success.

The following people have been admitted to the Mitchell Club: Kenneth Bays, Frances Peratt, Helen Holbrook, J. G. Black, Dorothy Nash, Dotly Bays, Calypso, Conventional, Marjorie Hawkins, and Ralph Holbrook.

The sixth grade is planning a program based on the lives of famous people who were born in February.

The fourth grade has made large maps about European countries from which their ancestors came, and also a map of places in which they settled in America. They are working on a play called "William Penn and learning how to find books in the library by means of classification cards.

The third grade is making prohibition signs. They will show the earth when it was young, the color age, the reptile age, and the mammal period. They are modeling the animals of clay.

The first grade has six new student teachers: Alene Waltz, Gaynelle Vice, Ruth Horn, Eliza George, Mrs. Webb, and Mrs. Neilson. The first grade is also practicing for a play called "Pill's New Suit" and are learning stories, songs, and poems about sheep.

The following officers have been elected by the tenth grade: Frances Peratt, president; Frances Barnes, vice-president; Dorothy Cassell, secretary-treasurer; Helen Holbrook, chairman of the social committee, and Kenneth Bays, chairman of the entertainment committee.

At the last home room meeting, the sophomore put on a music memory contest. Mr. Young played fifteen popular songs, old and new, and the students tried to write down the titles to them. Four people, Mary Jeanie McKinley, Beulah Parker, Frances Flood, and Pauline Tomlinson tied for first place by getting the names of all but two. The final will be held later and the winning student will be given the opportunity to select five of his or her favorite pieces to be played by the King's Jesters on their weekly program at the Eagle's Nest Sunday afternoon. The sophomore class has selected April 1 as the date for their chapel program for this semester.

Clark Gable and Myrna Loy are among the other movie stars who live in the variety show cast.

The C. Ray Smith organization made some of the marionettes for "The Sunnys" which was seen at the college theatre some time ago. This marionette company carries elaborate lighting and sound equipment and colorful stage settings and scenery. A cast of over 100 happy life-like marionettes walk, talk, sing, dance, slide, play instruments, do circus tricks, provide amazing entertainment, and make real the hilarious comedy-drama of life along the Mississippi in the days before the Civil War, that Mark Twain so humorously told in "Adventures of Huckleberry Finn".

At the close of the afternoon performance, the puppeteers will demonstrate their marionettes for the benefit of teachers in the audience and others who may be interested in marionette methods. C. Ray Smith,

whose company has made several motion pictures, is on his third consecutive tour and will direct his company in person at their appearance here.

The sponsors urge the faculty and student body to buy their tickets early to avoid a last minute rush at the box office just before the performance.

INTERVIEWS SANDBURG

Be water birds, be air birds. Be those purple tumblers you are."

Nothing but a lover of delicate sweetness in verse could write such lines. One critic has said that his works are like a dash of cold water in the face. How true that is, it is like a breath of fresh air after you emerge from an overheated room, so vastly different from what we have been used to reading. I did not find him shocking, but I thrilled to the sensation of reading these real portrayals of life.

Carl Sandburg has developed great powers of observation. No ordinary person can catch the life around them right from the air almost and write it down in such a clear, yet poetic manner. He does not wander in circles, but puts it down in plain black and white, in simple diction.

I sincerely hope that this great poet goes on, telling the thoughts and activities of you and me, of laborers and simple folk. May his career be long and great regardless.

SEVENTH GRADERS GIVE PLAY AT FRIDAY CHAPEL

The pupils of the seventh grade presented a play entitled "Nancy, or the Little Lane Girl," at the regular convocation period Friday. The whole class made up the cast of the play.

All the pupils collaborated in writing the production since they could not find a suitable play for seventh and eighth grade children. The incidents in the play were taken from the daily life of the children.

Alma Criss Moore, seventh grade teacher, directed the production.

By mild ripe tobacco we mean just this —

FIRST—ripened in the sunshine... and picked leaf by leaf from the right part of the stalk when fully ripe.

THEN—each day's picking cured right by the farmer... at the right time and in the right way... no "spotting" or brittleness, but every leaf of good color and flavor.

FINALLY—bought in the open market... re-dried for storage... then packed in wooden hogheads to age and mellow for two years or more until free from harshness and bitterness.

That's what we mean by mild, ripe tobacco. And that's the kind of tobacco we use to give Chesterfields their milder, better taste.

Outstanding

...for mildness
...for better taste
